how to find us

From A14 follow signs to Bury Town Centre, at the first roundabout take left hand exit to Northgate Street and first right onto Cadney Lane. At lane end turn left and the Brewery is 100yds up on the left hand side.

There is **Car Parking** in the street and on the triangle opposite the pub. Please carefully check the restrictions (one hour just outside the pub, residents 10-4pm on the triangle, Monday - Saturday). We have 7-8 spaces in the Brewery Yard which our lunchtime and overnight guests are welcome to use.

From Bury St Edmunds **Railway Station**, cross the road and keeping the Linden Tree pub on your right turn right onto Out Northgate towards the roundabout. Cannon Street is the third exit off the roundabout by The Barber Shop.

From Bury **Bus Station** cross the road towards the library and through the pedestrian passage to St John's Street. Turn left and take the first passage on the right. Continue down Church Row to the end where you will find the Brewery on your right.
