DRINKS MENU

THE OLD CANNON BREWERY

Beer has been brewed at The Old Cannon since 1845 and is at the very heart of our pub and everything we do. Today, we brew a growing range of traditional cask ales with a contemporary twist. Our bar features a changing selection of our own ales - each one crafted just a few steps from where you're sitting. Whether you fancy something smooth and sessionable or bold and full of flavour, we have a beer for you.

At our brewery, the magic starts right beneath your feet- our Brew Plant is tucked away in the cellar, while the Mash Tuns and Kettle sit right next to the bar, so you're always close to the action.

We've crafted a menu that brings our beers to life, using them in dishes like our Blonde Bombshell battered Fish & Chips or our Best Bitter Mac & Cheese—each bite perfectly paired with a pint.
